To whom it may Concern.

It is with much enthusiasm that I am writing to recommend the services of the Unique Pieces under the stewardship of Audrey Hayes.

I have worked side-by-side with Unique Pieces as they have supported our grant funded summer food program, including our newly launched Lunch and Splash, a program designed to provide lunch and an enrichment activity to youth in our community. I am happy to say that with their help we have been able to provide over 20,000 meals to children who are participants in our summer camps and through our anti-hunger program. This was my first summer working with Unique Pieces and I am hopeful it will not be our last.

They have done an excellent job of providing a delicious breakfast and lunch to our large camp sites every day this summer and I would certainly recommend their service to our other sites.

Sincerely,

Shei'Tia Benson,
Summer Food Program Project Manager.
